

Sticklers™ CleanWipes 90

Product Features:

- Optical-grade wipe for cleaning connectors, or bare fiber before splicing
- Far stronger and cleaner than cellulose wipes
- No glues, bleach or lint to contaminate
- Make “wet/dry” cleaning easy

Sticklers™ Benchtop CleanWipes are high quality, lint-free wipes engineered for cleaning bare fiber before splicing and for cleaning jumpers and other male connectors used in fiber optic networks. These wipes have exactly the right absorbency, quality and packaging to make cleaning fast, reliable and affordable. They are engineered to be used with the Sticklers™ Fiber Optic Splice & Connector Cleaner for the best possible cleaning results. The wipes are made from soft, hydroentangled polyester fabric, made without troublesome glues or cellulose which can leave residues on end-faces. The strong fabric resists shredding even when cleaning LC connectors. These wipes lift away fingerprint oils, grime, dust and lint. This makes them ideal for cleaning bare fiber or fiber optic connector end-faces, plus lenses, mirrors, diffraction gratings, prisms and test equipment.

The packaging has been designed to make cleaning easier for technicians. The handy mini-tub is rugged and spill-proof. Each wipe is protected with a plastic over-wrap which keeps fingerprints and moisture off the wipes. The unique “Drop-n-Stop™” packaging keeps the tub from rolling when dropped.

Experts recommend that each connector and every splice be cleaned during installation, maintenance and reconfiguration – even if a jumper is new, right out of the bag.

Packaging	Part #
Sticklers™ Benchtop CleanWipes NSN: 7920-01-547-6547	MCC-WFW

Each mini-tub contains 90 perforated lint-free wipes, each wipe being 4.25” x 2” (10.8 cm x 5 cm). Normally each wipe is used 3-4 times before disposal. There are 24 mini-tubs per case, for a total of 2,160 wipes per case. Each mini-tub is approx. 3” in diameter and 3” tall (8 cm x 8 cm). Unlimited shelf life. 12-month warranty.

Use with Fiber Optic Splice and Connector Cleaner Fluid for best results.
